**SUBJECT: SHIRE GM-FREE ZONE SUPPORT**

Dear James,

The Nature Reserves Preservation Group would like to express in-principle support for the Shire of Kalamunda to adopt a GM-free policy for Shire purchases and policies. While we realize that some claim benefits of various kinds, our concerns revolve around the many as-yet unresolved legal, health, cross-pollination and super-weed issues.

We would appreciate your support of the present proposal to make Kalamunda Shire a GM-free zone.

Please advise if there is any further support that the NRPG can provide to assist in making this happen, or that NRPG could input to further discussion.

Sincerely,

Steve Gates  
President,  
Nature Reserves Preservation Group
