Please arrive at 5.30 pm to register
and order refreshments, before 6 pm
start.

GUEST SPEAKER: Hans Lambers

Professor of Plant Biology at The University of Western Australia, and former Head of the School of Plant Biology. Founder: Kwongan Foundation for the Conservation of Australian Native Biodiversity.

Dr Lambers will talk on “A Jewel in the Crown of a Global Biodiversity Hotspot” and advocating for a Yule Brook Regional Park - a corridor extending from Lesmurdie Falls, via Hartfield Park and the Brixton Street wetlands to the Canning River.

NOTE: Memberships are renewed at the AGM and fees remain as: Individual: \$10, Family: \$20. Membership must be current in order to vote at the meeting.
