

Protecting our Bushlands

NRPG can help you adopt a bushland reserve and establish a Friends group or you can lend an occasional hand to other Friends!

Join NRPG!

We can assist groups and individuals to:

- *Bring wildlife back to your own backyard*
- *Regenerate bush*
- *Identify native plants and weeds*
- *Conduct dieback control*

Founded in 1989, NRPG 'Bush Carers' is a non-profit organisation involved in protecting and restoring our local bushland.

Membership is open to residents of the City of Kalamunda (and from outside the City) with approval of the committee. You'll receive our newsletter, and be invited to events, project activities and workshops. (All details are confidential).

Fees: \$10 (individual) or \$20 (family). Please return this form and payment by either:
