# RALLY FOR rapid bushfire suppression

Photo: Carole Peters

Music by Uke Nomad

#MilesTweedsPhotography

Say **NO** to destructive burning  
Say **YES** to advanced firefighting technology

New early detection and rapid suppression firefighting technology is being rolled out around Australia. Let the WA government know there is a better way to manage bushfires in South West forests that does not rely on the failing prescribed burning program.

Entertainment at the rally provided by 'Uke Nomad'.

11am – Memorial Park, Willmott Avenue  
followed by Shambala Nature Retreat field trip,  
24 Hobson Rd, Osmington (15 mins away)
